2010-02-12 20:46:03	windmajic	Chris - we sell items on eBay as fundraisers for the club. We have several donated

2010-02-12 20:46:28 **lorry** **items and the Cafe Press store.**
Cafe press items have sold, but we are not up to our \$25.00 minimum for payment to us for our January percentage yet.

2010-02-12 20:46:55 **lorry** **I think we can drop the eBay painting listing on old business...you and Annette have to figure that out.**

2010-02-12 20:47:18 **windmajic** **Well, Annette and Carol - right Annette?**

2010-02-12 20:47:32 **SerSerr** **Mine is in process at Gordon's home**

2010-02-12 20:48:13 **windmajic** **Any further old business?**

2010-02-12 20:48:24 **lorry** **None from me.**

2010-02-12 20:48:35 **SerSerr** **I have none further**

2010-02-12 20:48:59 **windmajic** **OK - I am going to open discussion on the issues with the comments from our new Commissioner.**

*** ***
From this point on lively discussion was held regarding the subjects of the new Commissioner's comments on the possibility of schooling our AHA judges for Judging Sport Horse and Dressage to take the place of the current practice of using judges carded in those respective open divisions. The consensus of those present plus the input from most of those competing in these Divisions was that this would not be acceptable to those participants.

Further discussion was held regarding the following areas:

- **The BOD voted to charge for the AHA magazine, one of the few readily identified "perks" of membership.**
- **The BOD voted Stan Morey, a well-know trainer and judge, in as the Judge's and Steward's Commissioner.**
- **It was decided to increase many of the AHA fees for qualifying horses in open shows (as opposed to AHA shows)**
- **The amount of the EPRB filing fee doubled from \$100.00 to \$200.00**

2010-02-12 22:28:45 **windmajic** **We are just about done. We sort of mishmashes the 3 additional New Business point here at the end. Did you have some item you wanted to bring up?**

2010-02-12 22:28:59 **Mary Anne Grimmell** **nope**

2010-02-12 22:30:13 **windmajic** **If we come up with either a mission statement or something. I am not sure just what but I do believe that your name would lend credence to some talking points. With your pre-approval before publication, of course!**

2010-02-12 22:30:57 **Mary Anne Grimmell** **okay**

2010-02-12 22:31:38 **windmajic** **Hey MAG - would you consider judging one of these things?**

2010-02-12 22:31:51	windmajic	Arab, unrated
2010-02-12 22:32:20	Mary Anne Grimmell	I would love to Penny, but my leg is still not strong enough for it. May take another year.
2010-02-12 22:33:05	windmajic	I keep trying to get you to come play! It was 74 today. You could be here, ya know! The invitation still stands. We'll get you on to the plane and I will get you off it! VBG
2010-02-12 22:33:11	Chris-	We could put you in a booth like they do for Scottsdale liberty class :)
2010-02-12 22:33:22	windmajic	There ya go - great idea Chris!
2010-02-12 22:34:01	Mary Anne Grimmell	Hey, that's a good idea. We'll see what my medical gooroo says about my stamina next week.
2010-02-12 22:34:13	windmajic	Well, I do not have much hope but the old warhorse in me keeps pulling on the bit...
2010-02-12 22:34:33	Mary Anne Grimmell	maybe that is what we need, Penny
2010-02-12 22:35:17	Chris-	We never really lose until we quit fighting
2010-02-12 22:35:26	windmajic	AHA seems to keep forgetting that it really is the grassroots that will make or break them if only by allowing it to die. Well said, Chris
2010-02-12 22:35:49	Mary Anne Grimmell	Very well said, both of you.
2010-02-12 22:37:47	windmajic	Meeting adjourned.
