Arabian Horse News from IAHC & Around the World No. 1 & 2, 2011

The IAHC is an AHA-affiliated Arabian horse club and an Associate Member of WAHO that meets and conducts business via the Internet, thus we reach out around the world.

The IAHC is dedicated to bringing Arabian horse owners and admirers together from all around the world to bring forth understanding of the history and attributes of the breed and international cooperation in the name of the Arabian horse.

Welcome to the New Year!

Penny & "Obie"

I have a magazine rack that sits beside "my" corner of the couch. (I use the word "my" but in deference to the cats, who actually own it.) Anyway, over the week-end I decided it was time clean the receptacle out. I guess the Christmas catalogs were the indicator it was time! Anyway, I came across an old (July 2010) Arabian Horse World magazine that I had yet to look thru. I sat back to see what I had missed.

As I perused the pages, I came across their coverage of the Egyptian National show. As I read the article, I glanced up at the TV ... and there was a Cairo! I am

sure the attendees at that show never imagined that the masses would be storming the government headquarters within a few months! And I got to thinking... I wondered "what will happen to the show – the horses, the breeders...?" Sure, a trite consideration to almost anyone else watching the news – but one that I am sure has crossed the minds of anyone reading this. However, our breed has withstood the tests of ages and hopefully will continue to thrive – regardless of all the follies of men.

I am sure you all join with me in sending wishes of good will and safety to all of those we know who live in the areas of strife.

Be sure to watch eBay for our up-coming offerings. There are some great books that have been donated. February auction currently running, see bottom of page 2, center column.

Breeding, foaling and show season are underway. Please share your Arabian horse news with us. Photos are always needed for the newsletter so those cute baby pictures and the win photos are idea – and fun to share!

IAHC Cafe Press Store

<http://www.cafepress.com/insallahahc>

IAHC has established a Café Press Store where many items are available decorated with the artwork of some of our members and other artists with whom we have been licensed or received permission to use their art. The small commission we received on each item sold is one of the very few ways in which this Club can raise funds to support our agendas for the Arabian horse world-wide.

We have provided "special" items for the Region 2 Sport Horse & Dressage Championships and for the AHA Sport Horse National. We can also use your own art and/or logo, put in the script you wish and you will have something uniquely yours.

Below, are examples of items that are available. The tote bag one shows "The Conqueror," a painting by Sharlene Lindskog-Osorio. The gym bag features the painting "Moonlight Magic," again by Sharlene. Please peruse our store and check out the many different items for you or your Club's special occasion or activity.

Contact [Lorry Wagner \(lorry@ridgenet.net\)](mailto:lorry@ridgenet.net) for customizing any item.

News from AHA

[Arabian Horse Association, USA](http://www.arabianhorses.org)

The following also appears on the AHA website.

The \$10,000 U.S. National Champion is Back!

The Arabian Horse Association (AHA) announced today that the big U.S. National payout for which the Arabian Breeders Sweepstakes (Sweepstakes) program has long been known is back-and in a big way. U.S. Nationals Champions can now earn \$10,000 in certain classes, which hasn't been paid since 2005. Getting back to basics as a breeding program was the push behind the new changes.

The Breeders Sweepstakes Commission has re-established the breeder as first priority, and they've selected classes to pay out that showcase the breeding of exceptional horses. For more information go to:

THE ARABIAN HORSE

The Arabian is the world's oldest breed of light horse and the fountainhead from which all other breeds of light horses were developed. He is believed to have been descended from the wild horses of the Syrian plateaus, tamed by the nomadic Aribi tribe of more than 5,000 years ago. Long considered a prize of war more valuable than silver and gold, he was valued by the peoples of North Africa and Europe for his courage, hardiness, fleetness of foot and his surpassing beauty. Today the Arabian horse is valued for many of the same reasons. The Arabian is the most versatile of horses, being used as a show horse, pleasure horse, stock horse and family riding companion. Bred for centuries by the Bedouins of the desert, where he dwelt in the tents of his masters, the Arabian is noted for his great intelligence, gentle disposition and love for human beings.
