

## ***INSALLAH ARABIAN HORSE CLUB***

### ***EDITED TRANSCRIPT FOR JUNE 12, 2009 MEETING***

Insallah AHC welcomes Pam Klein as a guest.

2009-06-12 20:38:57	windmajic	I guess we better call this meeting to order.
2009-06-12 20:39:36	windmajic	Lorry, am I correct in assuming that this transcript will reflect those present and we can accept that as roll call?
2009-06-12 20:39:47	lorry	Yes, Penny.
2009-06-12 20:40:38	lorry	I move that the minutes from the May 2009 meeting be approved as distributed.
2009-06-12 20:41:20	Mary Anne Grimmell	2nd
2009-06-12 20:41:26	lorry	Aye
2009-06-12 20:41:33	Mary Anne Grimmell	aye
2009-06-12 20:41:39	windmajic	The minutes of the May meeting are accepted as written
2009-06-12 20:41:49	windmajic	Treasurer's report?
2009-06-12 20:42:10	lorry	Detailed report was sent to members, Overview =
2009-06-12 20:42:39	lorry	Checking, \$472.62, PayPal, 493.15, total on hand as of 5/31/09 is \$965.77
2009-06-12 20:42:45	Mary Anne Grimmell	I accept
2009-06-12 20:42:46	lorry	I second
2009-06-12 20:43:06	lorry	I accept, too...that was a bit different. vbg
2009-06-12 20:43:08	windmajic	LOL - OK Treasurer's report accepted as submitted
2009-06-12 20:47:49	windmajic	OK - Lorry, would you please tell us where we are on the Chism paintings?
2009-06-12 20:48:58	lorry	I cannot reach Kathy, so that's a done deal. Sharlene is moving from Northern California down to the Stockton area to care for her aging mother. I have tried to contact her via e-mail, but I don't think she is organized yet.
2009-06-12 20:49:41	lorry	I will continue until I reach her. I have her daughter's e-mail address and meant to contact her before this meeting...but...well, excuses, excuses.
2009-06-12 20:50:49	lorry	Both Annette and Mary Ann have agreed that they would like Sharlene to do their portraits, but I am doubtful if we can arrange that within the bid price. She usually charges \$800.00 for the small portrait. We'll see.
2009-06-12 20:51:10	lorry	If we cannot make arrangements, then we have to refund the \$'s...and no, I haven't looked up that amount yet.
2009-06-12 20:51:52	windmajic	I am wondering if Annette would be happy with something from Carol Walter?
2009-06-12 20:52:27	Mary Anne Grimmell	May I ask if it is worth it? I know these artists do beautiful work but Lorry, you have spent hours over this service, now I wonder if we should bow out
2009-06-12 20:52:27	lorry	However, Annette just bought tee shirts and tote bags for the Region 2 Sport Horse and Dressage workers and hi-point awards, respectively. So a check for the 10% license fee will be due as soon as Cafe Press sends us our percentage.

2009-06-12 20:52:38 **windmajic** I know Annette likes her stuff and she would probably do something Annette would like - the Walter's do have a Fresian - it would be easy and benefit another R2 member...

2009-06-12 20:53:07 **lorry** I think that as soon as we bring conclusion to these last two, we can stop that service.

2009-06-12 20:53:23 **Mary Anne Grimmell** my thoughts too

2009-06-12 20:53:59 **Mary Anne Grimmell** too bad. It has been a good income source

2009-06-12 20:54:11 **lorry** Good thought, Penny. Let me finish contacting Sharlene since that is where we left it and both gals agree on that. If that doesn't work out, we can see what Carol might be able to do.

2009-06-12 20:55:06 **lorry** Right MAG. What really concerns me is that Kathy was so gung ho...right up to the last time I spoke with her. At that time she had the first one nearly finished. I have a feeling something really drastic happened. It looks like we will never know.

2009-06-12 20:55:18 **Mary Anne Grimmell** Penny, it is good to see you here

2009-06-12 20:55:33 **windmajic** I would like to take this opportunity to thank Lorry for doing the eBay auctions. I know it's a pain and she's been great. Many thanks...

2009-06-12 20:55:58 **Mary Anne Grimmell** thanks Lorry

2009-06-12 20:56:00 **lorry** Now, I have basically covered the Cafe Press sales in the above report, but will just "officially" report that most of the tee shirts and a couple other items now have Sharlene's painting on them.

2009-06-12 20:56:16 **windmajic** and that is the other thing I want to thank Lorry for - covering for me. Friday nights get a little hectic... thank you Lorry

2009-06-12 20:56:18 **lorry** Awww, now I'm blushing. Your welcome. They are really kinda fun to do.

2009-06-12 20:56:43 **lorry** LOL!. Oh, dear. your are very welcome, as you know.

2009-06-12 20:57:33 **windmajic** Lorry, what do we make on the Cafe Press items? It's a percentage, correct?

2009-06-12 20:58:16 **lorry** Now, speaking of Cafe Press. I have made posters and can print them on tag board. I just sent two to Annette along with a dozen or so business-card size advertisements to Annette to have available at the Region 2 show. The business-card size is great. Easy to just throw in one's purse or pocket and hand out. Let me know if you want any...Penny, didn't I send you some?

2009-06-12 20:59:01 **windmajic** Yes you did and I've put the information on our "community Bulletin board" here at the office and at the local tack store.

2009-06-12 20:59:25 **lorry** We make from \$4 to \$5 per sale. I have marked the items up that amount for us and added another 10% for Sharlene's license fee. I purchased one of the tees with "The Conqueror" on it and it is really good quality...expensive but of good value.

2009-06-12 21:00:02 **lorry** Also, a lovely picture, on the white ladies' tees it is printed on front and back. Really nice.

2009-06-12 21:00:17 **windmajic** AH very nice. Wonderful gift items...

2009-06-12 21:01:03 **lorry** Since we have such light attendance tonight, perhaps instead of waiting I can just print a couple of posters and pack of cards and send it

out to all our members. What do you think?

2009-06-12 21:01:26 **Mary Anne Grimmell** sounds good

2009-06-12 21:01:37 **windmajic** Great idea

2009-06-12 21:02:11 **lorry** Did I send you any, MAG? I remember I sent you the minutes when your computer was down, but can't remember if I sent anything else! Geez! This old age is terrible.

2009-06-12 21:02:32 **Mary Anne Grimmell** yes you did and I put some out

2009-06-12 21:02:58 **lorry** Okay, good. I can scratch you both and Annette off my list.

2009-06-12 21:03:14 **windmajic** Anything further on Cafe Press?

2009-06-12 21:03:26 **lorry** Not from me.

2009-06-12 21:03:35 **Mary Anne Grimmell** nope

2009-06-12 21:04:38 **windmajic** OK - on to the Johnson seminars...

2009-06-12 21:06:08 **lorry** Haven't done anything on that. I plan to contact Jackie Polk in the Stockton area, but they just had a big deal honoring Paul, so thought I would wait on that. If they are not interested and, as you say, Penny, no interest in your area, we probably need to bypass that at this time.

2009-06-12 21:06:32 **windmajic** I think that we need to look in a different direction.

2009-06-12 21:07:12 **windmajic** Can something go out as an email blast on the R2 site inviting inquiries and host locations?

2009-06-12 21:07:32 **Mary Anne Grimmell** I am so far out of the loop that I should really keep my mouth shut, but I believe the ownership is now in the hands of people with different interests from the past. I don't know how to resurrect the old feelings.

2009-06-12 21:07:38 **lorry** Sure. It's "free" to Clubs. I can design something.

2009-06-12 21:09:32 **windmajic** Just as there are more people interested in the true Arabian horse (preservationists), I believe there are those who would be interested in Johnny's opinions or just his tales.

2009-06-12 21:10:04 **windmajic** I would like to believe that if properly offered, there would be interested parties.

2009-06-12 21:10:07 **lorry** Okay, I will send out something and see if there is any response.

2009-06-12 21:10:24 **lorry** If not, we can just drop it for now.

2009-06-12 21:10:46 **lorry** Probably should wait until after the Region 2 show????

2009-06-12 21:10:55 **windmajic** Definitely!

2009-06-12 21:15:00 **windmajic** I do want to talk about regional messes Pam - and under New Business, if I may?

2009-06-12 21:15:40 **windmajic** OK Bylaws. May I hear a motion to approve the bylaws in their final writing?

2009-06-12 21:15:52 **Mary Anne Grimmell** so move

2009-06-12 21:15:57 **lorry** second

2009-06-12 21:16:01 **lorry** Aye

2009-06-12 21:16:06 **Mary Anne Grimmell** aye

2009-06-12 21:16:17 **windmajic** You all make my job so easy!

2009-06-12 21:16:23 **lorry** Put that one to bed fast. :?

2009-06-12 21:16:50 **windmajic** Therefore let the record reflect that the revised Bylaws shall now be enforced.

2009-06-12 21:17:10 **windmajic** Is there any further Old Business?

2009-06-12 21:17:17 **lorry** Not from me.

2009-06-12 21:17:27 **Mary Anne Grimmell** no

2009-06-12 21:17:28 **windmajic** Hey - not my first rodeo! LOL

2009-06-12 21:17:45 **windmajic** New Business...

2009-06-12 21:18:38 **lorry** Regarding the Newsletter, I got a note from Richard in Australia. Chapter 2 that was to be in our June Newsletter on Australian breeding will be delayed until July.

2009-06-12 21:18:50 **windmajic** I have heard (via my grapevine) that there is more and more discussion on redoing the Regional boundaries so that, hopefully, we can get better participation (and better people!!).

2009-06-12 21:18:55 **windmajic** oops sorry Lorry

2009-06-12 21:18:58 **lorry** Richard has been snowed in at work and hasn't had the time to do justice to the next segment. So, I will be looking for a fill in there. MAG, sure would like to report on your Pinto award.

2009-06-12 21:19:18 **lorry** Mag, can you get something in for the next newsletter?

2009-06-12 21:20:00 **windmajic** If you have any contact name, MAG, I could also follow up and try to get pictures.

2009-06-12 21:20:41 **lorry** I will call the pHA President tomorrow to see if she can find some photos. My problem is that my daughter has moved and I don't know how to send pictures anymore

2009-06-12 21:21:02 **Mary Anne Grimmell** Perhaps something from Pam on the interest in Davenport breeding?

2009-06-12 21:21:08 **windmajic** I was just going to ask you what you need for your newsletter

2009-06-12 21:21:40 **Pameladragon** I am a writer....

2009-06-12 21:21:52 **Pameladragon** Hey, Penny, that's a great idea. Pam, if you are interested, I can send you a link to our Newsletters. Take a look and would love to have something from you.

2009-06-12 21:21:52 **lorry** Perhaps we could start a section wherein foundation breeders (preservationists - whatever) share what they are doing?

2009-06-12 21:21:56 **windmajic** Oh, perfect.

2009-06-12 21:21:58 **lorry** Okay Lorry, if she has anything I will send you her e-mail and you can talk directly with her

2009-06-12 21:22:01 **Mary Anne Grimmell** Great, great idea

2009-06-12 21:22:34 **Mary Anne Grimmell** Well then, Pam - if you would - that would be great!

2009-06-12 21:22:39 **windmajic** Yes, please send me the link to the newsletter

2009-06-12 21:22:58 **Pameladragon** I can do something for you on Davenports

2009-06-12 21:23:04 **Pameladragon** I just sent the link to the front page, click on "newsletters"

2009-06-12 21:23:10 **lorry** Lorry - will you work with Pam to get her involved?

2009-06-12 21:23:13 **windmajic** I can also get you something on Babsons and SOs

2009-06-12 21:23:19 **Pameladragon** You bet. I look forward to it. The more the better, Pam.

2009-06-12 21:23:37 **lorry** Our Newsletter goes to Arabian breeders in several countries around the world.

2009-06-12 21:25:15 **lorry** Great! Sounds like we are on a roll here.

2009-06-12 21:25:17 **windmajic** WHO does this group believe would be the right people to do rebounding?

2009-06-12 21:29:18 **windmajic** Where is Yale Freed when you need him?

2009-06-12 21:29:49 **lorry** Should be a group that has the interests of the breed in front of politics.

2009-06-12 21:30:09 **lorry** There have been 3 resolutions I can remember - all submitted by Regions unhappy with theirs - but they have all failed. I have worked on this

2009-06-12 21:30:50 **windmajic**

		issue and find that the directors with the largest regions (and therefore the most power) are against anything
2009-06-12 21:31:07	lorry	Yes, the Regions were set up to try to equalize the "number of horses" within the Regions.
2009-06-12 21:31:12	lorry	That was a good basis.
2009-06-12 21:35:11	windmajic	I wish I had the answers
2009-06-12 21:35:13	lorry	I agree, Penny, as we have discussed forever.
2009-06-12 21:35:42	lorry	Well, might start with seeing where the horses are and then go from there.
2009-06-12 21:36:08	Mary Anne Grimmell	does the new Registry still keep those figures
2009-06-12 21:36:12	windmajic	Well, let's think about it. I have a feeling that AHA will be looking at this in the near future and it would be good to have some prepared ideas from those who CARE about and FOR this breed.
2009-06-12 21:36:13	lorry	Of course that information would have to come from the Registry.
2009-06-12 22:12:26	Pameladragon	August, may be on a transport trip with Jen to SoCal, very near Santa Barbara
2009-06-12 22:12:46	Pameladragon	Maybe we need an Insallah meeting face-to-face
2009-06-12 22:12:51	windmajic	VBG
2009-06-12 22:13:01	Pameladragon	Yes
2009-06-12 22:13:05	Mary Anne Grimmell	wouldn't that be fun
2009-06-12 22:13:15	Pameladragon	All are always welcome at The Weyr
2009-06-12 22:13:21	Mary Anne Grimmell	are we ready for an adjourn
2009-06-12 22:13:22	windmajic	Definitely call - I've got lots of room and trailer parking space
2009-06-12 22:13:57	Pameladragon	will do, and y'all can adjourn
2009-06-12 22:14:03	windmajic	OK it's official - we're adjourned.
