September, 2013, Treasury Report

Old Business

Discuss finding better day and time to meet.

Our current schedule of meeting on the second Monday of each month seems to be a problem for our members. We need to find a time that is the least inconvenient to the most of our members. Please give it some thought and come to the meeting or at least send your input to insallahahc@hotmail.com so we can select a better date and/or time for participation.
